

Botron SpeedLane Technical Data Sheet

Features:

Botron's SpeedLane with our built-in ESD "ELITE Data Logger System". Built with 304 Stainless Steel for long life. Sold in pairs (2) or sets. Each Flip Lane has a total of six optical sensors which will stop any unauthorized personnel from entering without first passing the test. The Flip wings are made of clear acrylic and can be backlit with LED lights. Exit switch for easy return.

PROPERTIES

SPECIFICATIONS

Material:	304 Stainless Steel
