Biodegradable and Accelerator free single use glove, 100% nitrile, powder-free, 9.4 inches long by 2.5 mil thick

FEATURES

- Latex free, 100% Nitrile
- Non-sterile
- Finger textured finish
- Ambidextrous
- Length : 9.4 inches
- Thickness : 0.06mm
- Silicone free

BENEFITS

- Accelerator-free formulation protects very sensitive skins
- Good chemical protection while avoiding allergies (latex, dermatitis)
- Extremely lightweight without compromising performance
- Engineered with EBT, making the glove biodegradable in biologically active landfills and within 1-5 years
- Protects from a wide array of chemical hazards while avoiding type I and type IV latex allergies
- Low-modulus formulation to improve fit and reduce fatigue
- Easy to put on and remove
- Second skin feel

[USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

[DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
