The stand-alone power systems that power your heavy loads with ease

The PowerPack Mega Series 12/55/55-LI stand alone power systems provide quiet, seamless AC power for as long as 12+ hours at a time. These sturdy sidekicks excel at powering laptops, computers, barcode printers, POS systems, scales, testers and even laser printers. At the end of your shift or use, simply plug it into a standard wall outlet to recharge. Com-pared to using extension cords or generators, the PowerPack Mega Series offers a safer, quieter portable power option.

Typical applications

› Non-powered equipment carts
› Outdoor mobile concessions
› Remote display areas
› Areas where power is not available such as far corners of the warehouse, loading docks, remote storage areas, and much more
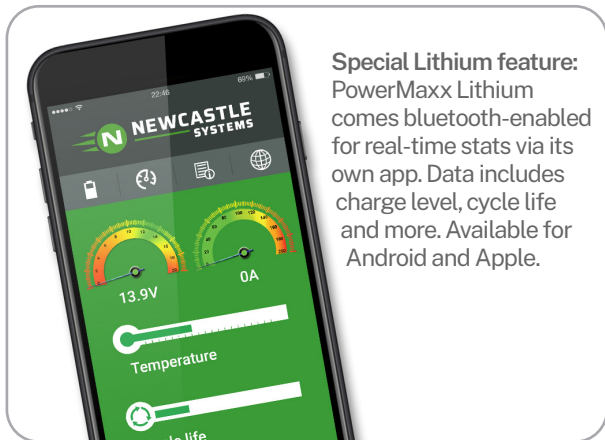

POWERMAXX LITHIUM

Advanced tech meets brute strength. Get up to a *decade* of superior performance before needing even a battery change. Significantly lower cost of ownership compared with PowerMaxx SLA.

Special Lithium feature: PowerMaxx Lithium comes bluetooth-enabled for real-time stats via its own app. Data includes charge level, cycle life and more. Available for Android and Apple.
