

Tax-Fre® Tack Cloth

Nonwoven polyester tack cloth

The Tax-Fre® nonwoven tack wipe has been specifically engineered to provide excellent contamination removal from surfaces without sticking, grabbing, or transferring tack adhesive to the surface. Apertured surface texture maximizes cleaning efficiency and dirt retention capacity. Pressure sensitive tack formulation; the harder you press, the better it works. A unique polymer adhesive – similar to the adhesive used on removable sticky notes – gives the Tax-Fre wipe a soft, dry feeling, free of tackiness, or stiffness.
