

The 9000 series chairs offer around-the-clock reliability in a variety of workplace environments. Backrest styles are uniquely shaped for full back support and come standard with a heavy-duty polypropylene back shell to protect the upholstery.

Features:

- Heavy-duty construction
- Easy to use pneumatic height adjustment
- Waterfall seat to aid lower body circulation
 - Seat foam density: 2 1/2 lb., 55 IFD
- Fully adjustable contoured back with added lumber support
- Upholstered fabric and vinyl meet CAL 117 standards
- Sturdy 5-legged base
- High performance footring standard on mid and tall heights
