

The 5000 series features ergonomic upholstered chairs that adjust to fit most body types and workstations. Ergonomic benefits include a contoured waterfall seat cushion and an adjustable back rest with lumbar support for increased comfort during extended sitting durations.

Features:

- Heavy-duty construction
- Easy to use pneumatic height adjustment
- Waterfall seat to aid lower body circulation
 - Seat foam density: 2 1/2 lb., 55 IFD
- Upholstered fabric and vinyl meet CAL 117 standards
- Sturdy 5-legged base
- High performance footring standard on mid and tall heights
